Currently enrolled families at A Child's Way, along with alumni and legacy families, will register on January 15<sup>th</sup> and 16<sup>th</sup>. Children who are currently enrolled at A Child's Way are guaranteed placement in our school next year. **However, we cannot guarantee morning placement.** Once currently enrolled children are placed, we will place any siblings of enrolled children as well as alumni and legacy. We will place children in the same family together in the morning or the afternoon if at all possible. If too many children are registered for a morning class, we will have an in-school lottery to determine class placement. Waiting lists for morning spots will be determined from this lottery based on the number of years the enrolling child has attended A Child's Way.

Class placement is not based on a first-come, first-served basis. We will wait until all applications are received on Wednesday, January 16<sup>th</sup>, before making class placements. **FORMS CAN BE PICKED UP BEGINNING ON JANUARY 10<sup>th</sup>** to help speed up the registration process on January 15 and 16. Class lists will be posted by the end of January.

**Kindergarten placement is the exception to this policy.** We will enroll 22 children in our Kindergarten class. Kindergarten placement will be determined by the child's longevity in our school and, then the family's longevity **during the initial 2 weeks of registration, December 3-19, 2017.** CURRENTLY ENROLLED FAMILIES: You will be guaranteed a morning placement for siblings if you enroll your Kindergartener by January 10<sup>th</sup>. After January 10<sup>th</sup>, we will enroll children when presented a signed application, contract and \$600.00 registration fee with no guarantee of morning placement for siblings.
