

Parents,

March 13, 2020

In consideration of staffing challenges and health concerns due to the public health threat of coronavirus, Governor Kate Brown has announced statewide closure of Oregon k-12 schools. A Child's Way Kindergarten-Preschool will honor this closure by closing classrooms following classes today. There will be no school at A Child's Way from Monday, March 16 through Tuesday, March 31. We will reassess the situation at the end of the "Spring Break" week (March 23 – 27). Please watch your email for an update on the status of the closure by Friday, March 27.

Thank you for your support as we weather these "uncharted waters". We understand that this is not easy for both our families and staff. Our utmost goal is to listen to the guidance of the Oregon Health Authority, State of Oregon, Washington County and the Centers for Disease Control and make the best decisions for the Child's Way Community.

How do we respond as a community? Let's all practice that community spirit that we have been known for over the years by checking in on each other, offering emotional support and asking how we can help each other! We are all in this together!
