

Dear Families,

We hope you are all well! As circumstances continue to change daily / hourly we are all concerned for our families and friends. Stay safe and healthy during this time! Thank you for your patience and flexibility during new “normal”.

In accordance with the Governor’s directive, we have decided, with A Child’s Way Board of Directors that we will be ***extending our closure to April 28th. The April tuition will be waived.*** If you have a check mailed by your bank to A Child’s Way, we will mail it to you when received. If you have paid your April tuition, it will be refunded.

Please know that we are watching developments and will update you should it be necessary. All meetings are cancelled until further notice.

All our best to all of you! We miss our community of amazing teachers, parents, and little ones!

Kathy & Darlene
