

A CHILD'S WAY KINDERGARTEN-PRESCHOOL
MAY PARENT NEWSLETTER

Dear Child's Way families,

Thank you for your support this year! This has been a year to remember! We have all been required to be flexible and cautious about protecting our community. A job well done!!!

A special thank you to our teachers for their positive attitudes, professionalism, and hearts of gold - filling this year with wonderful memories for our children. How about those amazing portfolios?

A shout out to our Parent Advisory Committee this year! Please thank your Parent Advisory Committee parent for their work in representing your class and helping the directors keep a pulse on the parent's perspective!

We look forward to our last week of preschool classes and remind you that the kindergarten class will be in session through Friday, June 17th. *The playground is open after 1pm. During the summer the playground is available most days (unless rented by an outside group through the church).*

Congratulations to our graduates!  **Have a great summer!**
Parents – Follow us on Facebook to keep up on ACW news!

<p>IMMUNIZATION FORMS WILL BE UPDATED IN SEPTEMBER</p> 	<p>Your child's immunization form will be kept here at school if returning to A Child's Way next year. The State of Oregon requires that all immunization forms have a new signature and date each year. If your child will be attending our school next year, you will be asked to up-date the form at the Parent Orientation meeting when school begins in September. If you are leaving the school your immunizations will be returned the last week of school.</p>
<p>LOST AND FOUND ITEMS WILL BE AT YOUR SIGN-IN TABLE</p>	<p>Lost and Found items will be displayed next to your sign-in table during the last week of school. Please check to see if any of your child's jacket, boots, snack bag or other belongings are there. Any remaining items will be donated to a charity once school has ended.</p>
<p>Looking forward to the next school year!</p> <p><u>PLEASE NOTE</u> THE OPENING DATES NEXT FALL</p>	<p>If your child is returning to our school in the fall, you will receive a detailed letter during the first week of August with the beginning dates of school. Informal Class Picnics will be scheduled during the week of August 29th. Parent Orientations (including the 2's) will be Sept. 6 & 7. Open Houses and the first full day of school will follow. See the chart below.</p>
<p>PLAYGROUND DRAIN</p> <p>Please help us keep it draining!</p>	<p>The teachers are talking with the children about the importance of leaving the pavers around the drain next to the sandbox. It has been reconstructed this week and we ask that the children not move the pavers or impede the flow of the rainwater. If blocked the sidewalk becomes a muddy mess and a safety hazard.</p> <p>**We ask that parents reinforce this guidance during afterschool play.</p>

**PASTOR RIC
IS
LEAVING!**

**ACW is participating in
a shoe drive in his honor.**

Pastor Ric and wife, Joanna (ACW teacher) will soon be moving to a church community in Issaquah, WA. If there's one thing to know about Ric it is his love of Nike shoes. He can be seen on Sundays leading the service with Nike's peeking out from below his robe. His collection has fueled many a conversation over the years! In tribute of Pastor Ric and his work at the church for the last 5 years, Cedar Mill Christ United Methodist Church will be hosting a shoe drive. Bring your new or gently worn shoes **between now and June 12th** to the main church building in the purple labeled bins. All shoes will be donated to the **non-profit organization Soles4Souls**. See the flyer for more details.
